

I Cockroach Control Melbourne

43 State Route 60
Melbourne, VIC 3000
Australia

Phone: 04 88851508

Are you seeking for a reliable local German cockroach exterminator that provides top-notch service? If so, choosing us is the best option for you. I Pest Treatment Melbourne is a well-known pest control business in Melbourne. Our I Cockroach Control Melbourne team provides some of the top cockroach control services available in Melbourne. We locate, isolate, and get rid of cockroach infestations everywhere in and around your house. We only utilise goods that are secure and eco-friendly, which can only be obtained by certified specialists. We use a combination of insecticidal dust, wet chemical sprays, and cockroach gels in our pest control programme to target particular regions of your property.

cockroaches are exterminated by being flushed out of their hiding places in cracks and crevices using the dust and spray. The gel baits are also put carefully to avoid more infestations. If you have a cockroach outbreak, contact Pest Control Melbourne. Dial (04) 8885 1508.
