At Electcomm Group Electrical & Data, we pride ourselves on delivering high-quality electrical solutions tailored to meet the diverse needs of Melbourne's vibrant community. Located at 5/71 Frankston Gardens Dr, Carrum Downs VIC 3201, our team provides comprehensive services to both residential and commercial properties across the South East, including suburbs like Seaford, Cranbourne, and Frankston.

We specialize in a wide range of electrical services, including professional installations, maintenance, switchboard upgrades, and energy-efficient solutions such as solar panel installations and LED lighting. Our expertise extends to data

cabling and smart technology, ensuring seamless connectivity for homes and businesses alike.

What sets us apart is our commitment to reliability, customer satisfaction, and quality workmanship. With over 16 years of experience, we've earned a reputation for being Melbourne's trusted electricians, offering transparent pricing and a lifetime warranty on our workmanship. Our NECA-accredited and fully insured electricians ensure that all projects are completed to the highest standards, adhering to strict Australian safety regulations.

Whether you require emergency repairs, electrical safety inspections, or comprehensive fit-outs, our responsive and professional team is just a call away at (03) 8789 8786. We strive to exceed expectations with every project, fostering strong client relationships built on trust and excellence. By choosing Electcomm Group Electrical & Data, you can rely on expert craftsmanship and dedicated customer service that ensures your electrical needs are met with precision and care.Website:
